Attorneys for Respondent

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF CALIFORNIA

PHILLIP W. DUNN,

Petitioner,

v.

KEN CLARK, Warden,

Respondent.

08-0485 BTM (JMA)

**APPLICATION FOR EXTENSION
OF TIME TO FILE RESPONSE TO
PETITION**

The Honorable Jan M. Adler

Kevin R. Vienna declares:

I am the Deputy Attorney General assigned to prepare response in this matter. A motion to dismiss is due on June 4, 2008. An answer on the merits is due on June 19. I respectfully request that this Court grant an enlargement of time of approximately one month, to July 7, 2008 and July 21, 2008, for the reasons set forth below.

I normally work on cases in approximately the order in which courts have ordered a response. I should be able to begin work on the *Dunn* matter tomorrow. I expect to be able to complete my work within a few days.

1 Accordingly, I request this extension of time in which to file our motion to dismiss or
2 answer.

3 **A. Background**

4 Petitioner Dunn is serving a sentence of thirteen years imprisonment following his
5 conviction in San Diego County Superior Court in 2003 for burglary. His conviction followed the
6 entry of a guilty plea.

7 Dunn did not appeal. Instead, beginning in 2007, he commenced a series of collateral
8 attacks in the state courts by filing habeas corpus petitions. In those challenges, he complained that
9 his sentence was improper because the trial court used the same prior conviction to impose a five-
10 year enhancement for a serious felony prior and to bring Dunn within California's Three Strikes
11 sentencing scheme.

12 On initial review, it appears that Dunn's claims are untimely, and I expect to file a motion
13 to dismiss.

14 **B. Counsel's Status**

15 In about the last month, I have completed assignments in the following cases:

16 People v. Riggs	S043187 (capital argument)
17 Morgan v. Tilton,	07cv0284
18 Garcia v. Yates	07-0048 (DMS) LSP
19 Hite v. Evans	07-56078
20 Griggs v. Tilton	08cv0477 JAH (NLS)
21 Romero v. Curry	SACV 07-985
22 Tatarinov v. Superior Court of California	07cv2033

23 I typically work on cases in the order in which they are assigned to me. My next case, in
24 order, is *Lohman v. Felker*, 07-0905, on which I have been granted one extension of time.

25 Although I usually work on one matter at a time, because I believe that the *Dunn* matter
26 is on the lower level of complexity and because I believe I now have enough of the underlying state
27 records to proceed, I will work on *Dunn* contemporaneously. I expect my briefing will take only
28 a day or two, but additional time will be required for document production and duplication.

1 Additionally, I am on this office's habeas corpus team. That means my work is routinely
2 interrupted by questions from other deputies regarding federal habeas corpus matters.

3 Granting of an enlargement of time will permit the response to be prepared without
4 impairing quality and will afford adequate time to obtain and copy necessary records, for review and
5 processing in this office, and for filing in this Court. Should this extension be granted, I will seek
6 to complete the briefing based on the schedule described above, and I will not place this matter at
7 any lower priority. All extension requests and progress are monitored by the senior assistant
8 attorney general in charge of this office.

9 I declare under penalty of perjury under the laws of the United States of America that the
10 foregoing is true and correct.

11 Dated: June 4, 2008

12 Respectfully submitted,

13 EDMUND G. BROWN JR.
